Pastry Fillings

Solo frutta e passione.
Just fruit and passion.

Tutto il profumo e la freschezza della frutta appena colta, in una nuova gamma di pregiate farciture per Pasticceria dall'altissimo contenuto di frutta in pezzi, senza glutine e 100% vegan.

Pastry Filling sono ideali sia per la cottura in forno che per realizzare dessert da servire a temperature positive; possono inoltre essere tranquillamente congelati, poiché la loro struttura non si altera in fase di scongelamento.

All the fragrance and freshness of freshly-picked fruit can be found in a new range of exquisite Pastry Fillings that are both gluten-free and 100% vegan, featuring a high content of fruit pieces.

Pastry Fillings are ideal for baking applications and for desserts that are served at positive temperatures. Furthermore they can be easily frozen, as their structure is not altered during defrosting.
